

D1,2 Ch. 6.3 Guided Notes: The Advance Party Heads to Utah

1. What occurred in the Spring of 1847? What was the plan?
2. What were they known as? What things did they do along the way?
3. Besides grown men, who else made up the party?
4. Who was the official journal keeper of the party? List several of the things he recorded:
5. What were especially difficult? How did the party turn lemons into lemonade, as the saying goes?
6. Describe where they arrived in July, 1847, and who they talked with. What did that person think about settling in the Great Basin?
7. How did the Mormons get from there to the Salt Lake Valley? When did they first see the Valley?

8. What did Brigham Young say when he saw the valley?

9. Where can you go to see Utah during the Pioneer Era? Name 3 cool things you saw in the videos:

10. How did other people in the Advance Party feel about the Salt Lake Valley? Explain:

11. How would you have felt? Explain why:
