

D20 - Bellringer

Of Ethos, Pathos, and Logos, which do you use the most? Explain why:

Reminders:

- ▶ Your essay final will be presented to the class on Thursday, March 22nd. You will then submit it online, and we'll see who wins!
- ▶ After our fallacy, we will work on that essay.

Logical Fallacy of the Day

▶ Appeal to Common Sense

- ▶ “Well, it’s common sense that global warming is a phenomenon that is human-caused. What remains to be answered is are we going to do about it...” This is like what other fallacy(ies)?
- ▶ ...really? There are many people that recognize climate change is real, but how big of a factor is humanity? Many still argue on this point. This is which of the following claims (p. 25)?
 - ▶ Substantive Claim “What actually is?”
 - ▶ Quality Claim “What is good / bad?”
 - ▶ Policy Claim “What should we do?”
