

D4 Ch. 7.2 Guided Notes: Gathering and Settling Zion

1. What was Latter-day Saint missionary work like in this period (1840s)? Where did they go?
2. What were some of the **experts** that a new **settlement** might need? How did conversion help with this?
3. How were **shipbuilders** put to good use in Utah? What did they do?
4. What is the difference between **emigrants** and **immigrants**? Explain:
5. What places / countries did these Mormon / LDS converts usually come from?
6. How many Mormon immigrants had arrived in Utah by 1857?
7. How did Brigham Young and other church leaders dictate where Mormons would settle?
8. What did many people from the same country tend to do? List some areas they settled, and who:
