

D5 Ch. 7.3 Guided Notes: Living in Utah

1. Who was in **charge** of **all** the **Mormons**? What **two titles** is this person known by?
2. Were people allowed to be **idle** in early Mormon settlements? Explain:
3. List some of the **challenges** that the first Mormons faced here in Utah:
4. What was **polygamy**? How many Mormons actually did it? How many wives did Brigham Young have, & kids?
5. List at least **5 things** that early Mormons ate here in Utah. Also, why did people still often go hungry?
6. What did you learn about pioneer clothing here in Early Utah?
7. Did Mormons celebrate much like we still do today? Explain:

8. Name the **4 settlements** settled in 1848 (p. 132) that are highlighted. Summarize what you learned about **one** of them:

9. What 4 settlements are mentioned on p. 133? Pick one and summarize what you learned about it:

10. Why was Sugar House named that (p. 134)? Summarize the Mormons' experience trying to create sugar there:

11. What other 3 communities are mentioned on p. 134? Summarize what you learned about **one** of them:

12. Look at the list of settlements on p. 135; which ones are you **familiar** with? Any you don't know?
*(note: the smaller, lesser known ones might be a good choice for your **Mormon Settlement** presentation)*
