

## D6 - Bellringer

Grab your textbooks, and take a look at pages 103-107:

Proceed to answer the following questions:

- ▶ *Summarize figurative language in a sentence:*
- ▶ *Summarize one of the uses of figurative language that the author shares (pp 104-105)*
- ▶ *Pick three of the terms described on pp 106-107, and give an original example of each:*

# Logical Fallacy of the Day

## ► Avoiding the Issue

- Avoiding what the other person has said, through a distraction, unrelated comment, etc. (happens a LOT)

# Research Time

- ▶ Get to work researching the next topic (remember to record citations via APA style, via citationmachine.net, etc.)
- ▶ Groups (these are the sizes we'll actually be doing, so good to practice!)
  - ▶ Somae, Marissa, Makayla
  - ▶ Sam, Ellie, Ryan
  - ▶ Fernando, Myra
  - ▶ Angel, Grace
- ▶ *Resolved: The United States federal government should substantially raise the annual limit for employment-based immigrants, eliminate the per-country limits for employment-based immigrants, and exempt individuals with graduate degrees in science and engineering fields from the numerical limit.*
