

D9 – Game Format Poster (50 pts – Due D11)

We talked about some different **player formats** for games in class today. Your groups assignment is to create a poster / and complete a short presentation about it (up to 3 people / topic researched). Here is the list you may choose from:

- **Single Player (PvE)**
- **Head to Head (PvP)**
- **Cooperative / PvE (multiplayer)**
- **One-Against-Many**
- **Free-for-all**
- **Team Competition**
- **Predator-Prey, etc.**

Now, as you work on picking a format and prepare to “posterize” / present about it, make sure that you answer the following somewhere on your final product:

- Give a simple, easy-to-understand **definition** that anyone (including nongamers) would understand
- Share at least **2 games** that serve as different **examples** of this player **format type**
- Explain what makes this format **fun**, or what situations this type of format is **best suited** for
- Include an eye-popping **DID YOU KNOW?** section to keep the poster interesting
- Include at least **3 interesting illustrations** to catch people’s eyes!
- **Cite** (on the back is fine) where you got the **info, pictures** you used, etc.
- Share any additional **interesting / noteworthy info** you learned.

Make sure to check the backside for all other details on grading. You will be presenting your poster, so be ready to speak for roughly 1-2 minutes, and answer any questions. Also, do not forget to **source your info** (put on the backside, etc.).

If you want to create your poster digitally, here are some free apps you can use:

- **Google Drawing** – Example here: <https://goo.gl/H6jphZ>.
- **LucidPress** – Example here (password: **Merit2018**): <https://pubsecure.lucidpress.com/LucidPressEG>
- **Other Great Choices** – www.canva.com, www.smore.com, etc. They are all **FREE!** Poster can be larger than 8.5 x 11, but it doesn’t need to be. Good luck! (**Due: D15**) ****Make sure you complete it, as we will be presenting these D15!**** Alternative: Create a video using www.biteable.com for free!

Project Rubric

Criteria	Accomplished 16-20%	Satisfactory 11-15%	Developing 6-10%	Beginning 0-5%	Score
Context & Accuracy	Contains fresh, original ideas. Solid content is backed up with examples, illustrations and a variety of support for ideas. The product correctly answers all required questions about the topic.	Good ideas and content backed up with generalized examples. Accurate wording is apparent. Support for ideas is all of the same type. The product accurately answers some questions about the topic.	Stale ideas. Worn-out. Content is not well supported. The writer is beginning to define the topic, but development is still basic or general. The product correctly answers several of the questions about the topic.	No real ideas. Content is murky or unsupported. No awareness of audience is apparent. As yet, it has no clear purpose or central theme. Hardly answers correctly any of the questions about the topic.	
Structure	All information is well-organized, neat and easy to follow. Illustrations used are well done, powerfully reinforcing the message	Information is easy to follow with perhaps some minor flaws. Illustrations used are adequate, and reinforce the message	Information is starting to make sense, but still a bit difficult to follow, and a bit messy. Illustrations used are adequate, but lack originality, and weakly support the message	Information is poorly organized and difficult to read / understand. Illustrations used are poor, rehashed ideas from other sources; don't really support the message	
Message Strength	The message to the viewers is clear, strong, & persuasive; viewer easily understands the message. Answers all of the required questions	The message is clear. Uses several different persuasive techniques to good effect; answers most of the required questions	The message is somewhat clear, but not very powerful or strong. Answers several of the required questions	The message is unclear or weak, and the viewer struggles to understand the point. Doesn't answer the required questions	
Creativity	Student has taken the assignment and completed it in a way that is totally his/her own. The student's personality/voice comes through quite strongly, yet doesn't detract from the information presented.	Student has taken the assignment and has used source material as a starting place. The student's personality comes through in some parts of the presentation.	Student has copied some info straight from the source material. There is little evidence of creativity, but the student has done the assignment.	Student has not made much attempt to meet the requirements of the assignment.	
Presentation & Sources	Info, pictures used, etc., is correctly & fully cited. Presenter(s) fully engaged, excited and follow the time allotted.	Info, pictures used, etc., appear to be mostly cited. Presenter(s) at times seem(s) fully engaged, excited and mostly follow(s) the time allotted.	An attempt was made to cite the sources, though it is sloppy, incorrect, etc. Presenter(s) is polite, but not very enthusiastic and the time frame is only loosely followed.	Sources are not documented at all. Presenter(s) seem(s) not interested in the topic at all, distracted, etc. Time frame is not followed well.
