UTAH VALLEY TOUR PASSPORT

Welcome to a World of Fun!

To enter the **prize drawing**, get your passport **stamped** and **turned in!**

Look, even Mr. Wright's hair is excited to get going!
#BadHairDay

Letter from Mr. Wright

Welcome to our **Utah Valley Hometown Hero Event!** We are so glad that you came! This evening, you will have the chance to **experience** many different **displays** on various local communities around this wonderful valley students have been studying and researching for the last month or so.

They have put a lot of effort into creating **poster boards**, "**tangibles**" related to their chosen community, as well as a **self-guided tour**. Please take a look around, and enjoy the work of these awesome students!

For students and others alike, if you would like to enter the prize drawing (or enter a worthy group for the **grand prize**), visit some of the various displays, answer the given questions, and get a "**customs stamp**" to prove you "visited" their community. For each two you visit, you get a ticket (students **are required** to visit at least **2 other communities**).

Mr. Joseph Wright

Destinations & Customs

Community #1:

Write down at least **two interesting facts** that you learned about the community from their project:

What is **most appealing** to you as a **potential tourist** to this community? Explain:

What is **least appealing** to you as a **potential tourist** to this community? Explain:

Write down your favorite **unique thing** about their chosen **community** and explain why it is fascinating:

Write down some **suggestion(s)** that you'd make to the creators of the tour, to **improve** their project:

Community #2:

Write down at least **two interesting facts** that you learned about the community from their project:

What is **most appealing** to you as a **potential tourist** to this community? Explain:

What is **least appealing** to you as a **potential tourist** to this community? Explain:

Write down your favorite **unique thing** about their chosen **community** and explain why it is fascinating:
